### **2007 NAPA VALLEY ZINFANDEL**

<http://haraszthfamilycellars.com>

#### **THE WINE**

Fruit was sourced from the Stag's Leap District, Rutherford and Oakville. The wine delivers an elegant and balanced refinement that the Napa Valley is well known for. A very pretty and graceful wine.

#### **THE VINTAGE**

2007 was a great harvest for our Napa Valley Zinfandel. A dry spring and cool weather during bloom produced moderate to low levels of perfect clusters contributing to lovely ripe and intense flavors. Depth of color and aromas make this a delightfully alluring wine. 100% Zinfandel

#### **TASTING NOTES**

Aroma is smooth and creamy that opens up with bright cherry and notes of vanilla. Flavors of black fruit, raspberry, white pepper and spice with a strong but beautifully balanced finish. This wine is an excellent compliment to rib eye and hanger steaks lightly crusted with tellicherry pepper corns.
